Re: **United States of America v. Shayne Jones**
Cause No.: 4:16-cr-176 – 2CDP

Your Honor,

My name is Randal Morris the father of Shayne Jones. I am employed by The Piccadilly Manhattan. I am the Kitchen Manager. Shayne has always been a very polite, well mannered young man. He takes pride in helping other. Always there to lend a helping hand. He is very protective of his family and friends Shayne has always looked for the good in people, always trying to offer a listening ear a word of encouragement. He has made me a proud father to have raised such a thoughtful young man. Shayne followed my father and me by serving his country through military service. He really worked hard at being the best son a father could ask for, that's why it is so hard your honor to be writing this letter on behalf of my son. This is so out of character for Shayne to be in trouble. Although I am deeply disappointed in his misconduct I know that this will be the first and last time he will be before the courts. He has the support at the family and knows that we will do whatever it takes to help Shayne come through this and be a productive member of the community. Thank you for listening to my words.

Sincerely
Randal Morris (Father)
